**FOR IMMEDIATE RELEASE:
Announcing New Kitchener Office Location**

Kitchener, Ontario – June 22-2018-Strik Baldinelli Moniz are pleased to announce the relocation of its Waterloo office to Kitchener, Ontario. The office is located at the corner of Fischer Hallman Rd and Huron Rd, 1415 Huron Rd, Unit 225, Kitchener, Ontario.

“We are thrilled with the new space and its location to K-W and the Golden Horseshoe area. We have modernized our office and doubled the workplace, so staff and clients can be comfortable and efficient. With over 50% of our business in these regions, improved facilities were definitely required” said Michael Baldinelli, P.Eng, President of SBM. “We’ve assembled a great team of engineers and designers working collaboratively, each one learning the others discipline, strategy and constraints. The synergy between the disciplines provides true value engineering to our clients.”

SBM: SBM is a multi-disciplinary engineering firm providing Civil, Structural, Mechanical and Electrical Engineering services to Developers, DB Contractors and Architects across the Province. With 60+ staff members, the firm has established itself as specialists in the design of low/mid and high-rise residential buildings and developments.

1415 Huron Road, Unit 225, Kitchener, Ontario N2R 0L3 P: 519.725.8093
